Re: United States of America vs. Jonathan Gaverilof  
Docket Number: 23 Cr. 110 (MKV)

Dear Judge Vyskocil:

On October 29, 2029 the defendant, Jonathan Gavrielof was sentenced to imprisonment for a term of 57 months followed by three years of supervised release and was further Ordered to surrender for service of sentence at the institution designated by the Bureau of Prisons before 2pm on January 27, 2025. (See Dkt. No. 355).

I am hereby respectfully submitting defendant's application seeking a 90-day continuance to voluntarily surrender to the Bureau of Prisons ("BOP") In order for him to undergo gallbladder surgery prior to commencing serving his sentence. A redacted copy of his medical report is being filed herein.

On January 14, 2025, and January 15, 2025, I contacted AUSA Jackie Delligati, AUSA Jeffery Coyle and Officer Berglind from U.S. Pretrial Services in order to obtain their position. Unfortunately, as luck would have it, I received an automated message from the persecutors providing that they are on trial and will be delayed in responding to messages as set forth:

*AUSA Jeffery Coyle: I am currently on trial before the Honorable Jesse M. Furman. My responses may be delayed. Thank you.*

*AUSA Jackie Delligati: I am on trial and will be delayed in responding to messages.*

On January 15, 2025, Officer Berglind from U.S. Pretrial Services did in fact respond as set forth:

*Good morning,  
Pretrial does not have any involvement during supervision when it comes to: (1) Designation, and (2) Surrender date. We follow the court's directive when comes to a surrender date and we later confirm someone surrenders as directed. For that reason, I don't think it is necessary for us to give a position. If the date is extended, we will continue monitoring Jonathan as we have been. He has continued to remain compliant during supervision.*

*Andrew Berglind*

Due to the time sensitivity of this matter, Jonathan Gavrielof, through the undersigned counsel, respectfully request that this Court grant a 90-day continuance of this self-surrender date or until a date convenient to the Court.

The Court's time and attention to this matter are greatly appreciated.

Respectfully submitted,
